

# Superconference 2017 Science Keynote Presentations

REGISTER NOW!

Presented by Scott Sampson

## Rooted In Place: Transforming Education Through STEM Learning Ecosystems

[more Information](#)

---

Presented by Scott Sampson

## The Rewilding Revolution: Reconnecting Humanity With Nature In The 21st Century

[more Information](#)

---

## Science Related Workshop Sessions:

Presented by Karen Lee

### Asking The Right Questions

Middle/Junior (e.g. 6-8, etc.)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Karen Lee

### Assessing And Planning For Inquiry

Intermediate (e.g. 4-7)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Doug Fraser

## Baby Carrots Are Killing You

Secondary (e.g. 8-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Sandy Eix / John Eix

## Build Your Inquiry Bag Of Tricks

Elementary (e.g. K-7)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Dennis Wong

## Computer Science Unplugged

Secondary (e.g. 8-12)

Sponsored by Computer-Using Educators of BC (CUEBC)

[more Information](#)

---

Presented by Dereck Dirom

## Creating A Makerspace In Your Classroom

Applicable to all (e.g. K-12)

Sponsored by BC Technology Education Association (BCTEA)

[more Information](#)

---

Presented by Nathalie Dufour Seguin

## Découvrez IDÉLLO ! Plus de 11,000 ressources numériques en français

Applicable to all (e.g. K-12)

Sponsored by Association provincial des professeurs d'immersion et du programme francophone (APPIPC)

[more Information](#)

---

Presented by Lori Snyder

## Discover An Indigenous Garden

Applicable to all (e.g. K-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Friderike Moon / Alex Chattwood

## DIY Electrophoresis

Secondary (e.g. 8-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Brian Anderson

## Dollar Store Science

Middle/Junior (e.g. 6-8, etc.)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Nimi Sandhu

## Embedding Social and Emotional Competencies in Blended and Online Learning: A Case Study of Introduction to Sustainability 11

Secondary (e.g. 8-12)

Sponsored by BC Educators for Distributed Learning PSA (BCEDL)

[more Information](#)

---

Presented by Michael Wolfe / Samsara Marriott

## Environmental Science 11/12: An Essential Piece Of The New Curriculum Puzzle

Secondary (e.g. 8-12)

Sponsored by Environmental Educators' PSA (EPPSA)

[more Information](#)

---

Presented by Ashley Port

## Evolutionarium: The Evolution Aquarium

Secondary (e.g. 8-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Kristen Gilbert

## Fearless Body Science for Primary

Primary (e.g. K-3)

Sponsored by BC School Counsellors' Association (BCSCA)

[more Information](#)

---

Presented by TBD / Pat Tonn

## GIS: Using Mapping To Change How Your Students View Agriculture

Secondary (e.g. 8-12)

Sponsored by Teachers of Home Economics Specialist Association (THESA)

[more Information](#)

---

Presented by Brian Anderson

## Hand-Held Pocket Science Demonstration Speed Dating

Middle/Junior (e.g. 6-8, etc.)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Glenda Johnston / Emma Sweeney

## Hands-On Agriculture For Your Science Classroom

Middle/Junior (e.g. 6-8, etc.)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Van Chau / Gregg Jennens

## Inquiry And Curricular Competencies: Making Them Work In The Grade 8/9 Classroom

Secondary (e.g. 8-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Anita Chapman

## Inquiry Approaches To The New Science K-7 Curriculum

Elementary (e.g. K-7)

Sponsored by BC Science Association (BCScTA)

[more Information](#)

---

Presented by John Munro / Matthew Kosloski / Stephen Fowler / Janelle Dick / Todd Diakow

## Journeys In Inquiry: Lessons Learned Along The Way

Secondary (e.g. 8-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Jo Chrona / Ellen Simmons / Nancy McAleer

## Science First Peoples 5-9

Middle/Junior (e.g. 6-8, etc.)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Doug Fraser

## Science Mythbusters

Secondary (e.g. 8-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Sandy Eix / John Eix

## Science With A Smartphone

Secondary (e.g. 8-12)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)

---

Presented by Peter Hopkinson

## The 50 Best Science Demos To Do Before You Die ...

Middle/Junior (e.g. 6-8, etc.)

Sponsored by Middle Years and Provincial Intermediate Teachers' Association (myPITA)

[more Information](#)

---

Presented by James Gill

## The Math and Science of Fast Food

Middle/Junior (e.g. 6-8, etc.)

Sponsored by Computer-Using Educators of BC (CUEBC)

[more Information](#)

---

Presented by Jon Hamlin

## The Truth Behind Computational Thinking: You're Already Doing It, Guaranteed!

Applicable to all (e.g. K-12)

Sponsored by Computer-Using Educators of BC (CUEBC)

[more Information](#)

---

Presented by Karen Lee

# Today's Students, Tomorrow's Scientists

Primary (e.g. K-3)

Sponsored by BC Science Teachers' Association (BCScTA)

[more Information](#)
